

# Scenarios and role play

## NOTES FOR TEACHERS

### Scenario 1

Louise and Jenny are trying to decide whether it is more fun to play in the park or down by the river. Which would be more fun? Which would be safer? Help them decide what to do.

### Scenario 2

Ben and Sam are playing outside on a hot day in summer. Ben tells Sam that he's hot and he's going for a swim in the lake in the quarry and asks Sam to come with him. Help Sam make a decision as to what he should do.

### Scenario 3

Tom is a quarry manager. Andy and Jack have climbed through a fence and are setting out to play in Tom's quarry. If you were Tom, what would you say to them? If you were Andy or Jack would you take any notice or would you come back when Tom isn't around?

### Scenario 4

George has persuaded Jordan to play in a quarry. Jordan didn't want to, but now he has fallen from a ledge and broken his leg. If you were George what would you do first? What would you then say to Jordan's Mum and Dad? How would you feel?

### Scenario 5

Rachel is part of a gang of four girls and three boys who all like adventure. Rachel's Mum has told her that the local quarry is not a safe place to play but the rest of the gang want her to go there. If you were Rachel, what would you say to persuade the rest not to go? If they still decided to go ahead what would you do? How would you explain your decision to your Mum?
